

You get the job done quickly, discreetly and efficiently

SR1000S works fast, is very compact and manoeuvrable. Comes in either a battery or petrol version for indoor or outdoor work and is durable to withstand tough working conditions. Recommended for loading bays, station platform or warehouses with narrow aisles. The sweeper is small enough to fit into an elevator, and manoeuvrable enough to reach the tight corners.

Sweeping is done quickly, discreetly and efficiently.

- Theoretical productivity rate of 5.500 m2 per hour
- It turns in less than 2 meter, 3 m2 of panel filter, 50 l of hopper capacity with a climbing ability up to 16%, and other top performance features
- Top safety features include emergency stop button, hood intralock switch and safety seat switch
- SR1000S can also clean carpet areas, using the optional carpet kit
